REPORT

On April 28, 2025, World Earth Day under the theme ‘our power, our planet’ was observed at Government Degree College (GDC) Banihal under the able leadership of Dr. Shafiq Ahmad Katoch. The program commenced with a welcome address by Dr. Aadil Gulzar, who highlighted the key issues of World Earth Day. Mr. Asif Ahmed Kamgar, Assistant Professor Zoology emphasized the collective responsibility of individuals, organizations and governments to promote the renewable energy resources and also build the sustainable practices such as reducing waste, conserving power and mitigate global warming. There were thirteen participants in this event from GDC Banihal and higher secondary institutes of Banihal and out of these Munaza Zahoor from Girls Hr. Sec. School Banihal secured 1st position, Jasifa Sharief also from Girls Hr. Sec. School Banihal secured 2nd position and third position was received by Aatif Wani from GDC Banihal. The program concluded with a vote of thanks delivered by Dr. Mudasir, Assistant Professor of English.
